SOLI 2018
Towards Smart Nation

IEEE International Conference on Service Operations and Logistics, and Informatics
31 July – 2 August 2018, Furama RiverFront, Singapore

http://2018.ieee-soli.org

CALL FOR PAPERS

Towards a Smart and Sustainable Nation

General Chair
Zhi Ning CHEN
National University of Singapore

General Co-Chairs
Huaqun GUO
Institute for Infocomm Research
Pui Yi LAU
Laxcen Technology Limited

Technical Program Chairs
Justin DAUWELS
Nanyang Technological University
Terence Shie Ping SEE
Institute for Infocomm Research

Finance & Sponsor Chair
Rahul SINGH
Continental Automotive Singapore Pte Ltd

Local Arrangement Chair
Andrew Keong NG
Singapore Institute of Technology

Workshop & Special Session Chair
Maode MA
Nanyang Technological University

Publicity Chair
Wei LIU
National University of Singapore

Publication Chair
Mei SUN
Institute for Infocomm Research

Secretary
Yunjia ZENG
Institute for Infocomm Research
2018soli@gmail.com

International Advisory Committee
Matthew Barth
University of California, USA
Gisele Bennett
IEEE Council on RFID
Apostolos Georgiadis
Heriot-Watt University, UK
Meng Lu
Dynniq, Netherlands
Emily Sopensky
Iris Company
Miguel Ángel Sotelo
University of Alcalá, Spain
Kam Weng Tam
University of Macau, China
Daniel Zeng
University of Arizona, USA

The **2018 IEEE International Conference on Service Operations and Logistics, and Informatics (SOLI 2018)** will be held on 31 July – 2 August 2018 in Furama RiverFront, Singapore, jointly organized by IEEE Singapore RFID Chapter and IEEE Singapore ITSS Chapter.

Service science, service operations, logistics, and informatics are playing an increasingly important role in today's world economy. Information and communications technology provides cyber-infrastructure and platforms to achieve more efficient and productive services operations. New types of service offerings are also emerging to meet the needs of *Smart Nation*. This conference will provide an exciting opportunity for the academic and industrial communities to address new challenges and share solutions, and discuss future research directions towards a *Smart and Sustainable Nation*.

Topics interested include but are not limited to the following:

- Artificial Intelligent in Logistic and Sensing Network
- Autonomous Vehicle Technologies
- Big Data and Smart City
- Business Modeling, Monitoring and Management
- Cloud Computing
- Communication Systems and Networks for Smart City
- Cyber Physical Security
- Cyber Security and Data Privacy
- Electronic Commerce and Knowledge Management
- Information and Communications Technology and Systems
- Intelligent Transportation Systems
- Internet of Things
- Logistics and Supply Chain Management
- Mobile Internet, Cyber-Physical-Social Systems
- People in Services
- RFID Tags and Readers from Antennas to Chip Designs
- RFID Technology and Applications
- Robotics Technologies
- Security Urban Transportation Systems
- Sensors and Sensing Network for Smart City
- Service Delivery and Operations
- Service Design, Engineering, Operations, and Innovations
- Service/Event Management and Manufacturing
- Smart Home Technologies

Important Dates

Paper Submission Deadline	~~9 March 2018~~	**30 April 2018**
Notification of Acceptance	~~7 May 2018~~	15 May 2018
Final Submission Deadline	~~28 May 2018~~	8 July 2018

The **Best Student Paper Contest** will be held during the conference. Registered and Presented papers will be submitted for inclusion into IEEE Xplore and indexed by EI Compendex.

The conference welcomes **workshops and special sessions** to be proposed and organized by senior researchers. Please send your proposals to emdma@ntu.edu.sg for evaluation by the Workshop & Special Session Chair.

You are cordially invited to attend SOLI 2018. For more details, please visit the conference website http://2018.ieee-soli.org. Questions can be directed to 2018soli@gmail.com
